Dear Parents, Carers & Community Members,

Well the end of the term is almost upon us once again and looking back at our term, it is amazing just how much has been accomplished! We have seen special seminars for students and parents led by 'The Root Cause', which has seen an amazing improvement in the choices that students (and parents) are making at meal times. A special announcement is 'sandwiched' (pun intended) between these pages, so if you spot your child’s lunch box, make sure they make themselves known to us!

Our students have been to Cairns TWO times at zero cost to parents. The Snugglepot and Cuddlepie play was extremely well received by students (and staff) of all ages and the Spirit of ANZAC exhibition allowed all students to reflect on the ANZAC tradition in a very meaningful and ‘hands on’ way.

We also saw selected students travel to Athletics carnivals and the years 4-6 students attend a Softball and T-ball carnival, where once again our students' fairness and respectfulness shone through. Our NAPLAN results were returned and discussed at length at the last P&C meeting, and showed tremendous improvement and achievement once again.

All of this occurring without any backwards steps in terms of our number one priority, TEACHING and LEARNING. An extremely buy and successful term! Well done, team!

Next week is our final week of school for term three and work will continue...

Until next newsletter,

Cameron Wedgwood
Principal
Are you due for a DENTAL CHECK?

Kids receive FREE DENTAL
If your Child from 2—18 years is covered by the Medicare Child Dental Scheme, or if you have Private Health Cover, most Funds are bulk billed with our NO GAP policy for kids.

At Riverside we cater for the Whole Family giving you Great Value for Money!

Phone Riverside Family Dental on 40611588.
Late Afternoon/Evening and Saturday appointments available for Children/Students.
