Dear Parents, Carers & Community Members,

Welcome back after a well-deserved break. It is absolutely brilliant to come back as Principal after needing to be away for such a lengthy period. Many MANY thanks to Mrs Abbott for stepping in and doing a fantastic job as Principal in my absence.

This term is always extremely busy and important as we see our students attending the ANZAC Day March (25th April), participating in the SMCSA Cross Country (4-6 1st ), completing NAPLAN tests (12th, 13th & 14th May) and taking home their report cards. One public holiday will invade our work time this term, as well as the normal coughs and colds that we see at this time of year, so we can see that our school time is already limited!

Our school will once again be participating in the ANZAC Day March. We will meet this Friday 25th April on the Esplanade across from the RSL at 8:00am for an 8:15 start. All students will need to be in full school uniform including hat, shoes and socks. We ask that as many students and parents as possible come along and represent MCSS and show their support to the ANZACS. Thank you for supporting this extremely important event.

In the coming weeks, you will receive notice of changes to our end of semester reporting procedures. This has been discussed at previous P&C meetings this year and will remain on the Principal’s report for the next two meetings. If you need more information, please come to the P&C meetings to share your views.

Until next newsletter - Cameron Wedgwood, Principal
