Dear Parents, Carers & Community Members,

Welcome,

The 2014 National Day of Action against Bullying and Violence was last Friday 21 March 2014. In 2013 more than 1400 schools across Australia participated by running local events, involving guest speakers and exploring bullying, and the role of bystanders, in classroom lessons. This annual day provides a focus for all schools to say Bullying. No Way! and to strengthen their existing everyday messages that bullying and violence at school are not okay at any time.

Students in the 4–7 class performed plays to strengthen the “Bullying, NO WAY!” message in our school. Congratulations to all of the students involved and thank you to Sen Const. Denning and Officer Stacey for their attendance and support of our school.

Parents of students in Year 6 and 7 are invited to the Innisfail State College for an orientation tour session from 9:00am—11:00am. Any parents wishing to attend should meet at the Administration Building of the College. This is a great opportunity for parents of students attending Innisfail State College in 2015 to become familiar with the layout of the College before students move over next year.

Next Friday will be the first orientation morning for students in years 6 and 7 to visit the Innisfail State College from 9:00—10:30 am. Students will be guided through an all-inclusive tour of the College, experiencing the wide range of facilities and how these are utilised in student learning.
