Dear Parents, Carers & Community Members,

Welcome,

Well this term has flown! I have been really impressed with the effort that students have been putting into their daily learning activities. The improvement shown across the school in effort, supportive behaviours, empathy and also the pride shown by our students in their school is exemplary! Our Interschool Athletics Carnival highlighted the spirit of our school as students showed their best in all events. Our students thoroughly enjoyed The Gruffalo in Cairns and were able to show the wider community just what well-behaved citizens we have at our school. Well done students, you continue the tradition of excellence we expect in our community.

Our students have chosen to take part in ‘Giggle Day’, a fantastic way for students to raise money for Camp Quality which assist families and kids with cancer to participate in activities that alleviate the pressures associated with VERY tough times. This will be held on the last day of school Friday 19 September and will have a combined theme of Crazy Hair/Backwards Uniform/Super Hero. Students may dress in one of these themes, or combine them to create a costume that will ensure that the people around them have a good GIGGLE! A gold coin donation is welcome, more is most appreciated to help this fantastic charity!

Until next newsletter,

Cameron Wedgwood
Principal
