Principal's foreword

Introduction

The 2015 Mena Creek State School Annual Report articulates our progress towards our strategic goals. This document contains statistical information on the achievement of Mena Creek State School in a range of significant performance areas. This document outlines our achievements for 2015, as well as the continuing areas of improvement we need to acknowledge, as we strive to provide our students a quality education in a caring and supportive learning environment.

School progress towards its goals in 2015

2015 was another successful year for Mena Creek State School. Our goals for 2015 were to refine explicit teaching practices in all classrooms, maintain and strengthen the school of reading program, continue our journey towards excellent attendance and to ensure that teachers used coherent, sequenced school curriculum plans.

Future outlook

Mena Creek's key priorities for 2016 include:

1. Continuation of the implementation of the Canecutter Cluster Reading Standards across the school.
2. Further refinement of our whole school timetable and teacher aide timetable to allow extra support in P-3 classroom for numeracy to allow for small group sizes.
3. Ensure the culture of highlighting the importance of school attendance to the Whole School Community is maintained.
4. Continue to work closely with our Cluster SEP to maintain high level of support and high quality programs for SWD students.
5. Continue a strong relationship with Innisfail State College to ensure that Mena Creek students' longitudinal academic achievement is accessed and reviewed.

School Profile

Coeducational or single sex: Coeducational

Independent Public School: No

Year levels offered in 2015: Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2013	44	22	22	5	98%
2014	50	26	24	9	88%
2015	39	19	20	6	86%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2015, there were no students enrolled in a Pre-Prep program.*

*Pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the student body:

Our small school has a rich mix of students coming from families with a wide range of industry backgrounds which reflects our current society.

We often have over five different ethnic groups represented at our school at any one time. This assists in the active awareness and appreciation of other cultures and social organisations. There is a positive response by parents in participating in cultural activities, which supports the involvement of racial harmony and mutual respect. We provide a high level of differentiation in our classrooms which allows our teachers to give academic extension or support depending on the individual. Our family-like atmosphere is yet another appealing attribute of our school.

Average class sizes

Phase	Average Class Size		
	2013	2014	2015
Prep – Year 3	27	24	21
Year 4 – Year 7 Primary	21	23	23
Year 7 Secondary – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2013	2014*	2015**
Short Suspensions - 1 to 5 days	0	0	0
Long Suspensions - 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Curriculum delivery

Our approach to curriculum delivery

Mena Creek State School ensures that every student is succeeding by:

- Delivering structured literacy programmes attuned to the individual's needs to ensure continued relative gain beyond the student's year level standard where possible.
- Ensuring learning opportunities for numeracy are delivered with a focus on mental computation, basic facts and number sense through a structure mathematics program strictly adhering to the Australian Curriculum.
- A broad approach to planning where all teachers are involved in the sequencing of lessons across all year levels. This enables the entire Teaching and Learning team to ensure access to learning that is appropriate for each individual.

Extra curricula activities

- Interschool and district sports carnivals for athletics, cross country, soccer, netball, kanga cricket and t-ball and softball.
- Opportunities to engage in cooking, gardening and environmental planning and projects.
- Academic competitions against other district schools including Readers Cup
- Environment and Sustainability club
- Student Council

How Information and Communication Technologies are used to improve learning

The school has 24 networked computers with internet access (security filtered) available for student use in classrooms.

Further to this, students of Mena Creek State School utilise a suite of iPads and other technologies to ensure they are using contemporary technologies to enhance their learning and promote digital readiness.

Learning activities are structured and sequenced to integrate information technology (including digital cameras, digital microscope and video cameras) with curriculum tasks, but there is also ample opportunity for individuals and groups to experiment and access programs of their choice.

Increasingly, in our school the use of computers and digital technology enables diverse learning experiences by catering for multiple intelligences and varied learning styles.

Social Climate

The social climate at Mena Creek State School is positive, with high parental support and expectations for each student.

Many activities are planned throughout the year to build community and a sense of belonging to the community, including Multicultural Day, Discos, and ANZAC Day. We believe all of these activities support the social and emotional learning of students.

Behaviour and expectations are aligned with the P&C approved, school Responsible Behaviour Plan. These values and expectations are taught and reinforced through daily assemblies and daily classroom debriefs.

Our attendance strategy ensures a classroom role is taken twice a day and phone calls to parents/guardians of students who have missed an unexplained number of days, followed by a whole team meeting if needed.

The school devised policy highlights the importance of "Everyday Counts".

Mena Creek State School takes great pride in the attendance results that our community has achieved through a clear message over a number of years.

Parent and Community Engagement

Our school's atmosphere is friendly and welcoming. We invite parents to school and classroom events. Parents are appreciated as swimming coaches, reading tutors, tuckshop helpers, P & C members, officials on sports days and in their various capacities as the major contributors to their children's education.

Staff encourage parents to take up opportunities to learn more about building resilience, how to help with reading, how student work is moderated and to how to provide just the right amount of support for homework. Parent teacher interviews are held twice a year, however parents are free to make appointments with teachers to discuss progress at any time.

Reducing the school's environmental footprint

Many initiatives were undertaken over the 2015 period including student devised energy-saving concepts, gardening programs and recycling and reusing programs.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2012-2013	37,694	849
2013-2014	27,911	599
2014-2015	35,210	1,456

*The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Performance of our students

Key student outcomes

Student attendance	2013	2014	2015
The overall attendance rate for the students at this school (shown as a percentage).	96%	95%	96%
The attendance rate for Indigenous students at this school (shown as a percentage).	96%	94%	91%

The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall attendance rate in 2015 for all Queensland Primary schools was 93%.

Student attendance rate for each year level (shown as a percentage)

	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2013	97%	97%	95%	98%	91%	96%	97%	94%					
2014	94%	94%	97%	93%	97%	96%	92%	98%					
2015	99%	92%	96%	98%	97%	96%	96%						

*From 2013, the methodology used for calculating attendance rates effectively counts attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Our attendance strategy ensures a classroom roll is taken twice a day and phone calls to parents/guardians of students who have missed a number of unexplained days, followed by a whole team meeting when needed. The school devised policy highlights the importance of “Everyday Counts”.

Further to this, students are awarded for high attendance rates and the importance of attendance is continuously highlighted through student and staff led assemblies.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.
